For all levels.

Barbara teaches from a realistic impressionism approach, using lots of pigment and color applied spontaneously with big brushes. Water Soluble Oils are worth the effort to learn because they do not expose the artist or environment to the harsh solvents found in traditional oils. Supply list available by email.

1-day: \$50; 2-day: \$95; 3-day: \$140.

Deposit: \$50. Bring a lunch.
